RADISSON MINING GRANTS INCENTIVE OPTIONS

Rouyn-Noranda, March 11, 2009: Radisson Mining announces that it has granted incentive stock options to its directors to allow for the purchase of up to 980,000 Class A Shares of the Corporation pursuant to the Company's Stock Option Plan. The options, which are exercisable over a period of five years, are exercisable at a price of \$0.10 per share on or before March 9, 2014.

ABOUT RADISSON MINING: Radisson is a Quebec-based exploration company, with an office in Toronto, Ontario, specializing in the discovery of gold, molybdenum and base metals, with an interest in nine properties in northwestern Quebec and one property in northwestern Ontario. The main asset of Radisson, the O'Brien Mine property, contains the former O'Brien Mine, the highest grade and the most important gold producer in the Cadillac Mining Camp in Quebec when it was producing from the early 1930s to the mid 1950s. Radisson now has established a new zone, the 36 East Zone, 2500' east of the old producing zone of the O'Brien Mine, with comparable high grades of gold. The Company completed a successful drill program in 2008 on the O'Brien Mine property and the contiguous Kewagama Mine Property and now intends to undertake an underground bulk sample program on the 36 East Zone subject to arranging the required financing for this program. No assurance may be given as to the successful conclusion of this financing effort.
